

MANIFESTO DA MARCA

ILHA VALLEY

Nós nascemos da
atração natural de
quem acredita
no mesmo propósito.

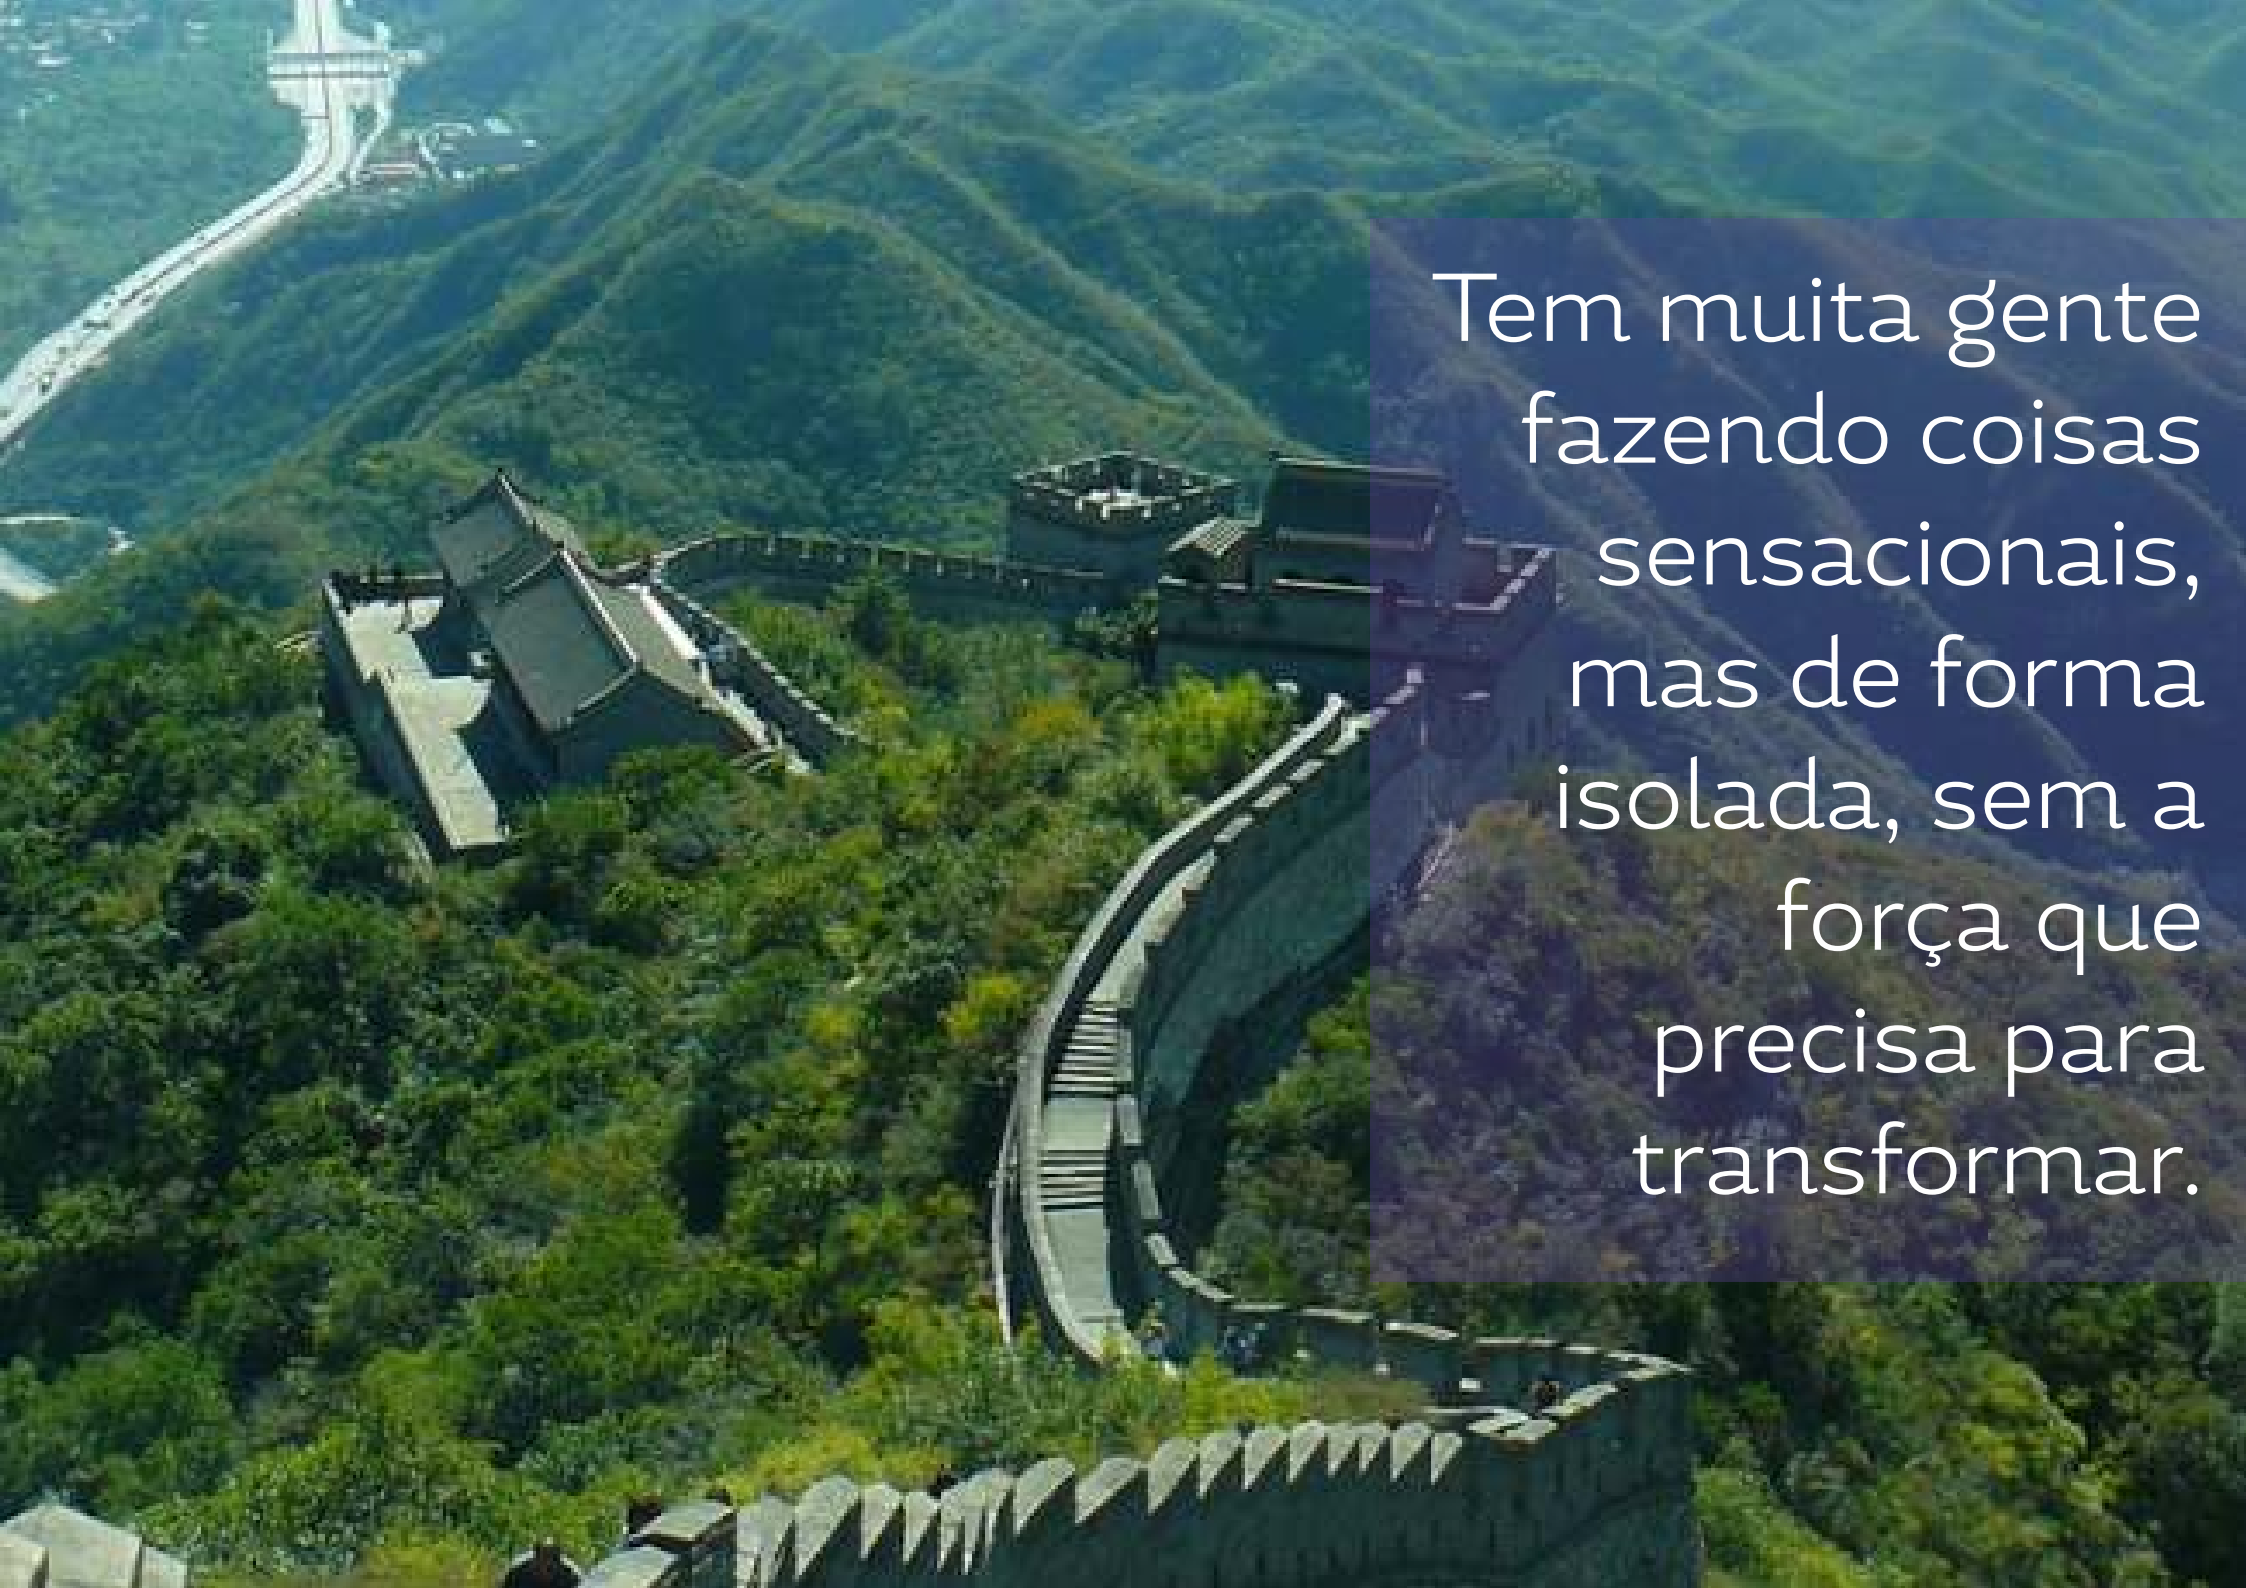

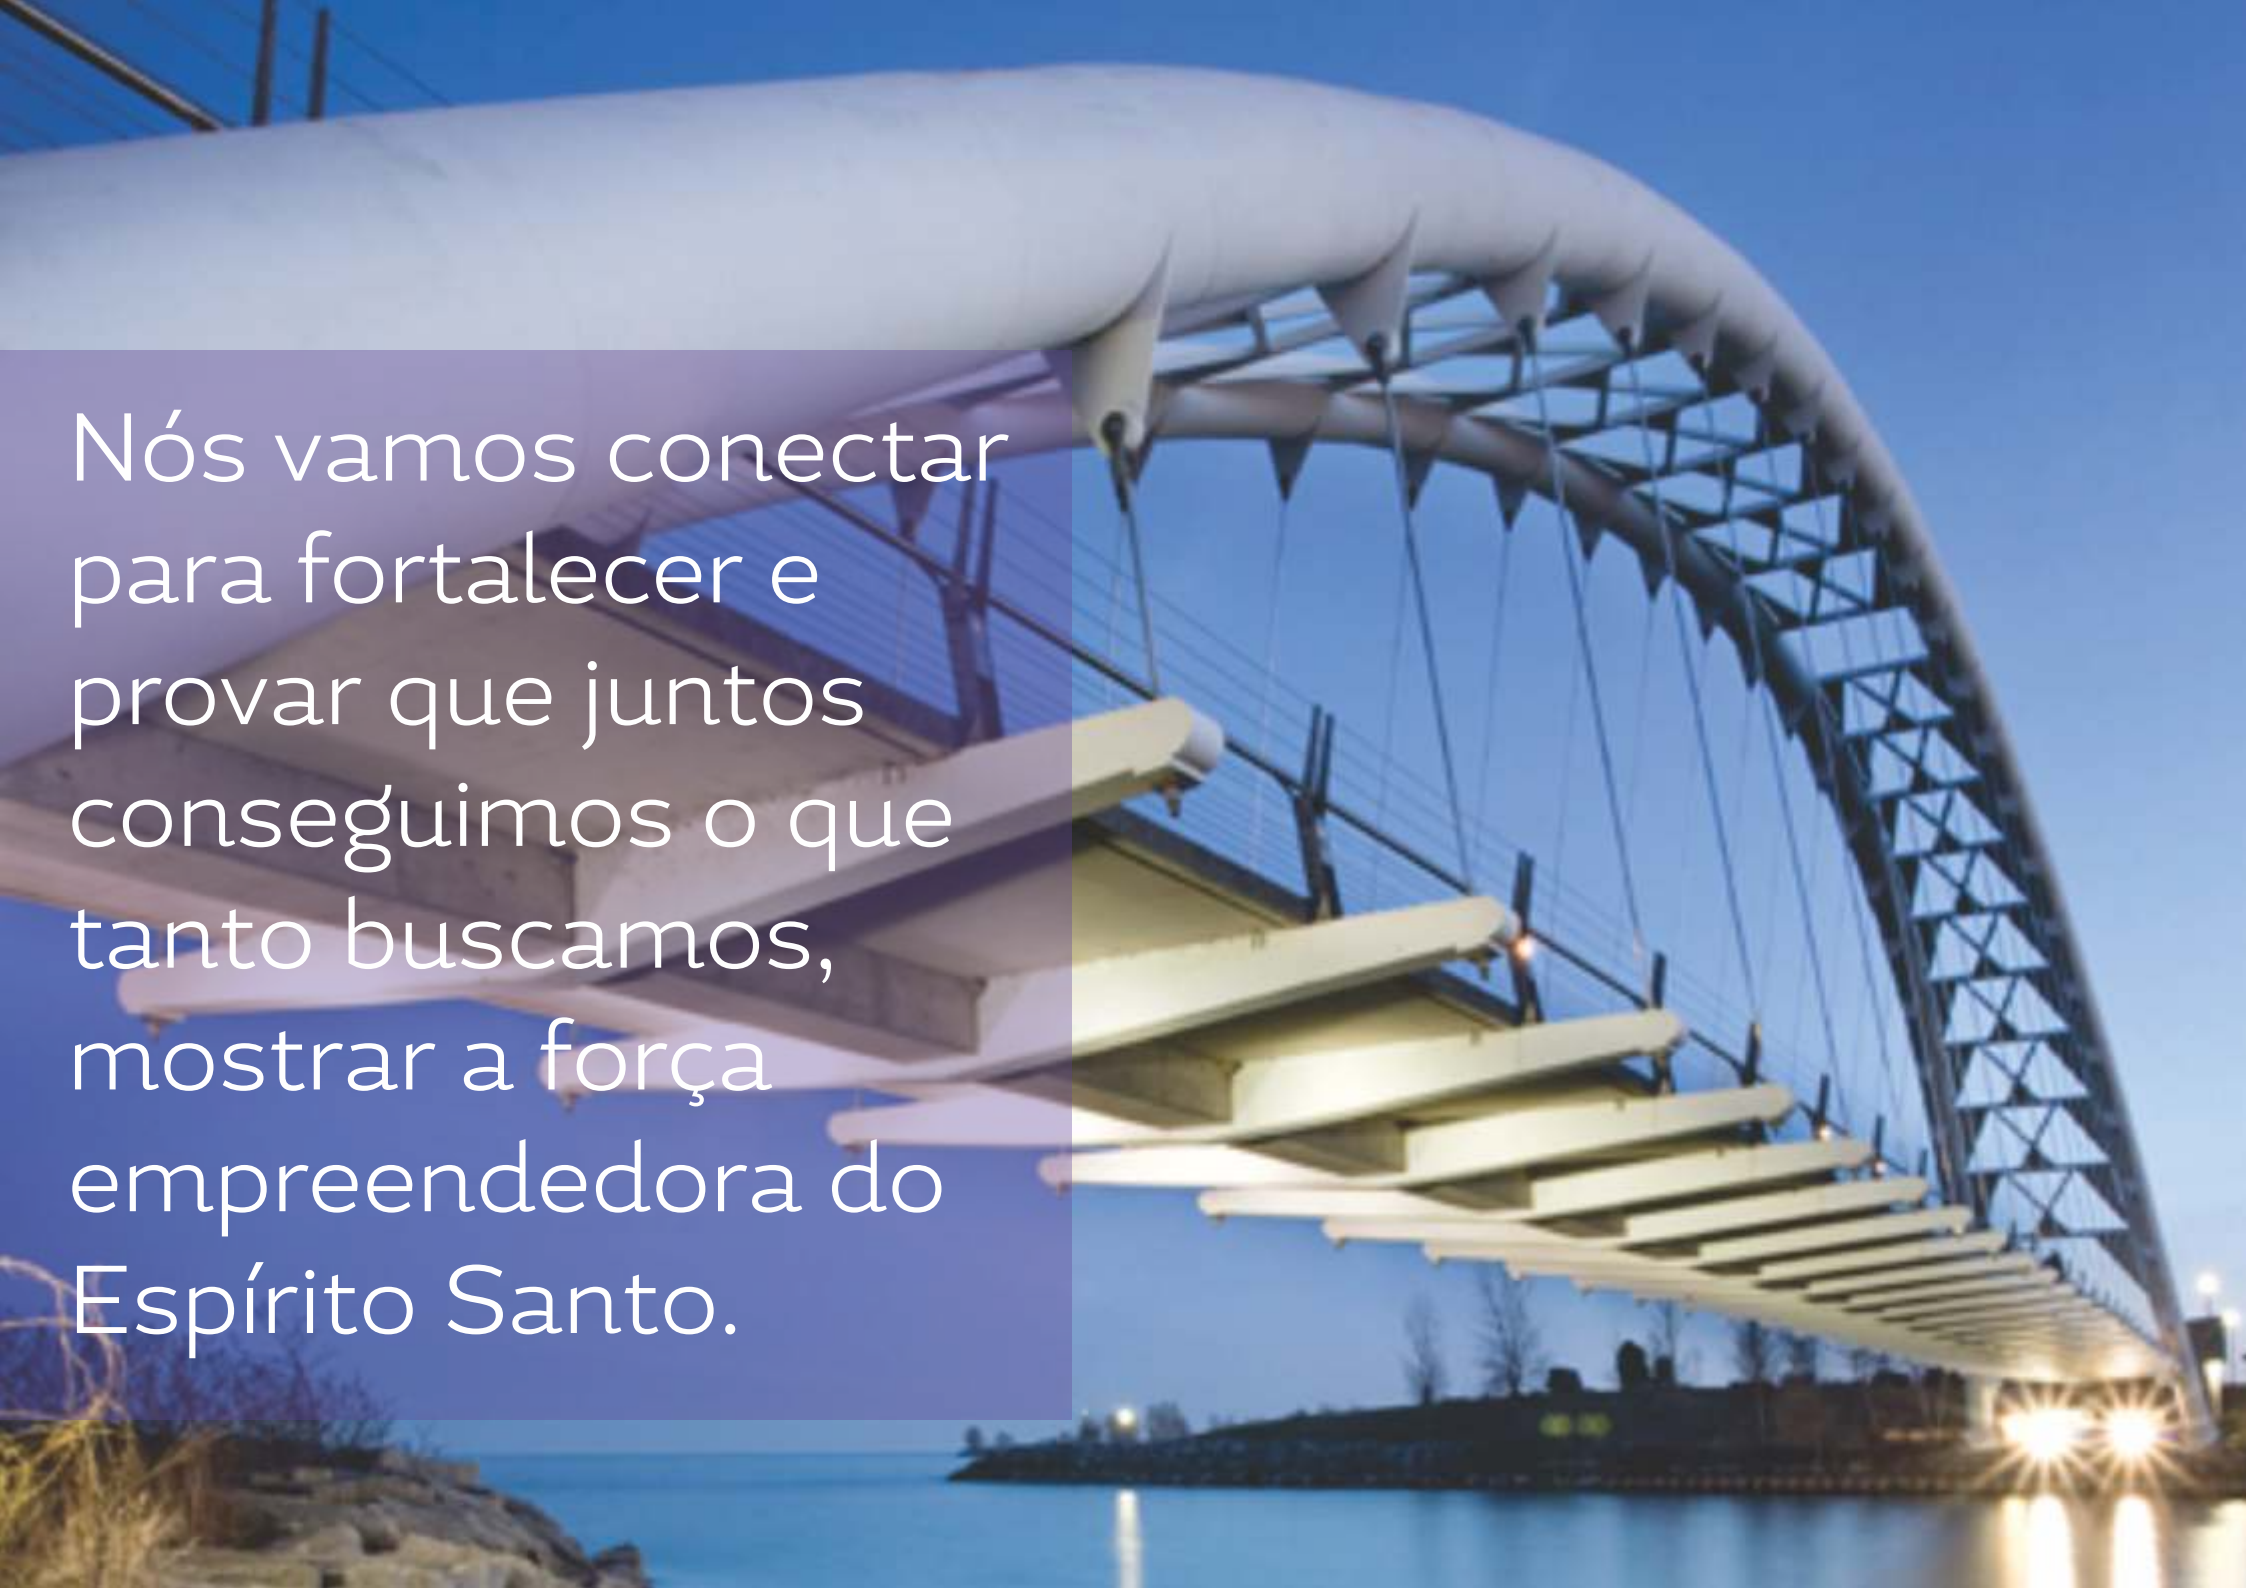

Está no nosso DNA
repensar o que está
estabelecido, tornar as
coisas possíveis, ter
coragem de arriscar, ser
incansável, considerar o
erro uma forma de
aprendizado e enxergar
oportunidade onde
muitos já desistiram.

Acima de tudo somos fãs do nosso Estado, enquanto muitos se conformam nós queremos mais, nosso propósito é que o empreendedorismo transforme a economia do Espírito Santo.

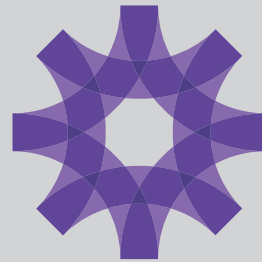

An aerial photograph of the Great Wall of China, showing its iconic crenelated battlements as they snake across a vast, verdant mountain range. The wall's path is clearly visible, curving through the dense green foliage. In the upper left, a modern highway bridge spans a valley, providing a contrast between ancient and contemporary infrastructure. The overall scene is one of majestic natural beauty and historical grandeur.

Tem muita gente
fazendo coisas
sensacionais,
mas de forma
isolada, sem a
força que
precisa para
transformar.

A photograph of a modern cable-stayed bridge at dusk. The bridge features a large, white, curved arch structure supported by a network of cables. The bridge deck is illuminated with warm lights, and the arch is also lit up. The bridge spans a body of water, and the sky is a deep blue. The text is overlaid on the left side of the image.

Nós vamos conectar
para fortalecer e
provar que juntos
conseguimos o que
tanto buscamos,
mostrar a força
empreendedora do
Espírito Santo.
